Prof. Emile BIENVENU
Director General

Important notice

1. All changes to this product must be communicated to the Authority within the framework of the relevant provisions of the applicable guidelines.

2. This certificate is valid for five (5) years from the date of approval unless otherwise revoked or suspended by the Authority.

3. The Marketing Authorization Holder shall ensure that the application for renewal of this marketing authorization is made 90 days before, its expiration. Otherwise, the product shall be removed from the register.

4. Registered products cannot be advertised or imported without prior approval of the Authority.

5. The product shall comply with all relevant provisions of Rwanda FDA regulations at all times.

6. The Authority reserves the right to withdraw this certificate when conditions under which it was provided are contravened and when the risks of using this product outweigh the benefits or it is in public interest to do so.
